FOR REASONS 1.4 (B),(D), and (H).

11. (U) This is an action request. Embassy Islamabad please see paragraph 5.

12. (S) Background: The Iran and Syria Nonproliferation Act (ISNA) requires periodic reports to Congress identifying foreign entities with respect to whom there is credible information indicating that they have transferred to or acquired from Iran or Syria items on multilateral lists (Australia Group (AG), Chemical Weapons Convention (CWC), Missile Technology Control Regime (MTCR), Nuclear Suppliers Group (NSG), and the Wassenaar Arrangement (WA)) or other items with the potential to make a material contribution to missile, WMD, or other certain weapons programs. The USG has determined that Arif Durrani has engaged in activities, as noted above, that warrant the imposition of measures pursuant to Section 3 of the ISNA. Additionally, on June 2005, a Federal Judge in the Southern District of California sentenced Arif Durrani to 150 months incarceration pursuant to his March 17, 2006 convictions for violating 22 USC 2778, Arms Export Control Act (AECA) and 28 USC 371, Conspiracy to Commit Offenses Against the

U.S. Durrani was also sentenced to three years of supervised release and fined five hundred dollars. Durrani illegally exported F-5 fighter and Chinook military aircraft parts from the U.S. to the United Arab Emirates, Malaysia and Belgium.

13. (S) Accordingly, pursuant to the provisions of the ISNA, the following penalties are imposed on this entity, (or individuals), its subunits, subsidiaries, and successors:

a. No department or agency of the United States Government may procure, or enter into any contract for the procurement of any goods, technology, or services from them;

b. No department or agency of the United States Government may provide any assistance to them, and they shall not be eligible to participate in any assistance program of the United States Government;

c. No USG sales to them of any item on the United States Munitions List are permitted, and all sales to them of any defense articles, defense services, or design and construction services under the Arms Export Control Act are terminated; and

d. No new individual licenses shall be granted for the transfer to them of items, the export of which is controlled under the Export Administration Act of 1979 or the Export Administration Regulations, and existing such licenses are suspended.

These measures, which will take effect shortly, will remain in place for two years. We want to provide advance notice to the Pakistani Government of this decision, note that this determination will be published soon in the Federal Register, and make clear that the penalties are only on the specific entity involved in this case. End Background.

14. (S) Purpose/Objective: To inform the host government of the sanctions determination prior to its publication in the

Federal Register.
